Welcome to DiamondChem, your partner for cleaning and sanitizing chemistry, equipment and service.

Our history began back in 1930. Simply offering bleach, selling door-to-door. Over time our product line has grown to include hundreds of cleaning fluid and powdered products across multiple brands, our ALIS™ Accu-Flow® Chemical Metering Systems for commercial laundry, custom white-label products for retailers nationwide and more.

Our continued growth is a result of dedication to offering the formulations, packaging, distribution and service options you need to offer your customers, staff and stakeholders the best at every level.

With manufacturing plants in New Jersey, Illinois, Louisiana and Arizona, our coverage and distribution is second-to-none offering you complete Coast to Coast service.

Do you need your own, private label branded product? Our Starco division is a leading white-label manufacturer offering custom formulations, labeling and packaging. Coupled with our national distribution, you've found your custom-branded cleaning products partner!

Contact DiamondChem today to discuss your cleaning solution needs.

Warewashing

Warewashing • Machine Dishwashing Detergents

Liquids

☐ MLC-100 Chlorinated

A highly alkaline, liquid warewashing detergent designed for use in automatic liquid dispensing equipment. Intended for use at all levels of water hardness and under heavy soil conditions. MLC-100 contains controlled release chlorine for excellent stain removal. Not for use on aluminum. U.S.D.A. Authorized.

Product #	Packaging	Per Pallet
12493	5 Gal. Plastic Pail	36

☐ Saf-T Aluminum Safe Pot & Pan Cleaner

A heavy duty, mildly alkaline, liquid machine dishwashing detergent designed to provide maximum protection for soft metal pots and pans, such as aluminum. SAF-T remains effective in hard water under the heaviest soil conditions. SAF-T is an economical detergent for soft metal. U.S.D.A. Authorized.

Product #	Packaging	Per Pallet
15902	5 Gal. Plastic Pail	36

Powders

☐ MC-200 Chlorinated

MC-200 is a powdered, chlorinated machine dishwashing detergent designed to handle heavy soils in up to medium to hard water. Added deflocculants, alkaline builders, sequestrants and soil suspending agents make MC-200 extremely effective. Not for use on aluminum. U.S.D.A. Authorized.

Product #	Packaging	Per Pallet
12100	50 Lb. Plastic Pail	36

☐ MC-300 Chlorinated

A heavy duty, concentrated, granular, chlorinated dishwashing detergent. Special sequestering agents, wetting agents and water conditioners combine in an alkaline base to quickly remove and suspend food soils in all degrees of water hardness. Chlorinated to remove stains. Not for use on aluminum. U.S.D.A. Authorized.

Product #	Packaging	Per Pallet
12150	4 x 9 Jars / Case	36

☐ Positive Aluminum Safe

A granular, concentrated, heavy duty machine dishwashing detergent contained in capsule form. The granular nature of Positive ensures complete dispensing of product. Designed-in sequestering agents, wetting agents and water conditioners in a stable alkaline base. Combine with oxygen bleach to remove all food soils and stains efficiently and economically. Positive is very effective in hard water areas. NON-CHLORINATED

Product #	Packaging	Per Pallet
14434	4 x 9 Jars / Case	36

☐ MC-500 Chlorinated

A top quality, granular, heavy duty, chlorinated machine warewash detergent. Made of highly sophisticated alkaline builders, sequestrants, buffering agents, surfactants and deflocculants, MC-500 is specifically designed for use in very hard water and under extremely heavy soil load conditions. Not for use on aluminum. U.S.D.A. Authorized.

Product #	Packaging	Per Pallet
12195	4 x 9 Jars / Case	36

Solids

☐ Solid Machine Dish Detergent 1000

A solid, concentrated heavy duty, machine dishwashing detergent contained in capsule form. The solid nature of SOLID MACHINE DISH 1000 ensures complete dispensing of product. Designed-in sequestering agents, wetting agents and water conditioners in a stable alkaline base combine to remove all food soils and stains efficiently and economically. SOLID MACHINE DISH 1000 is very effective in hard water areas.

Product #	Packaging	Per Pallet
37012	4 x 8 lb. Jars/Case	36

Warewashing • Rinse Additives

Liquids

☐ ACR Rinse Additive – Red

ACR is an economical drying agent designed to prevent spotting and streaking. ACR can be used in soft to medium water hardness conditions. U.S.D.A. Authorized.

Product #	Packaging	Per Pallet
2101	4 x 1 Round Gallon	48
2110	5 Gal. Pail	36

☐ HG-3 Rinse Additive – Blue

HG-3 combines surface active agents and excellent food soil defoamers to provide outstanding water sheeting. Effective under most water conditions, HG-3 delivers incredibly fast and spot free drying of all wares. U.S.D.A. Authorized.

Product #	Packaging	Per Pallet
10110	4 x 1 Round Gallon	48

☐ Power Dry Rinse Additive for Hard Water

A purposefully designed acid rinse drying agent for use where difficult to control hard water conditions are found. Eliminates all spotting and streaking while reducing scale buildup.

Product #	Packaging	Per Pallet
14535	4 x 1 Round Gallon	48

Low Temperature Machine Dishwashing

Liquids

☐ Low Temp Detergent

An excellent, liquid, machine dishwashing product. This is the detergent for those who want maximum efficiency and sparkling clean dishware in a low temperature, energy saving dishwashing machine. Manufactured with special alkaline builders, sequestrants, buffering agents and deflocculants, Low Temp Detergent is highly effective under heavy soil load conditions in soft to medium hard water. Can be used as an all temp detergent.

Product #	Packaging	Per Pallet
11560	4 x 1 Round Gallon	48
11549	5 Gal. Pail	36

☐ Low Temp Rinse Agent

A highly concentrated liquid containing synthetic wetting agents and organic coupling agents. Thoroughly "wets-out" all surfaces, thus providing rapid spot-free drying. Specially built-in surfactants and a synthetic defoamer prevent foam build up. Designed for use in low temperature machines.

Product #	Packaging	Per Pallet
11664	4 x 1 Round Gallon	48
11695	5 Gal. Pail	36

☐ Low Temp Sanitizer

For use as a sanitizing agent in the last rinse operation of a low temperature dish machine. Buffered for extra stability.

Product #	Packaging	Per Pallet
10624	4 x 1 Round Gallon	48
11722	5 Gal. Pail	36

Warewashing • Presoak

Liquids

☐ Release Tableware Presoak

A highly concentrated liquid used prior to machine washing of flatware. The presoak softens and releases food and soils from stainless steel, silverware and all washable items. Use of Flatware Presoak ensures complete removal of caked on soils.

Product #	Packaging	Per Pallet
15503	4 x 1 Round Gallon	48

Warewashing • Manual Dishwashing Detergents

Liquids

☐ Quick Suds Premium

Kelly Green Dish Detergent. A top-rated, high sudsing, green liquid dishwashing detergent for use on glasses, dishes, pots and pans. Cuts grease fast with longer lasting suds, yet is mild on hands. Cleans encrusted buildup while safely removing foods and grease from all warewash items. Highly concentrated formulation provides excellent sheeting action which gives quick and spot free drying. Quick Suds is excellent for use as a pot and pan soak. U.S.D.A. Authorized.

Product #	Packaging	Per Pallet
15090	4 x 1 Round Gallon	48
15106	5 Gal. Pail	36

☐ Rejoice Gold Lemon Scent Premium Detergent

A top-rated, high sudsing liquid dishwashing dtergent for use on glasses, dishes, pots and pans. Cuts grease fast with longer lasting suds, yet is mild on hands. Cleans encrusted building while safely removing foods and grease from all warewash items. Highly concentrated formulation provides excellent sheeting action which gives quick and spot free drying. Cost Cutter System

Liquid

☐ #1 Glass and Hard Surface Cleaner

This is a very effective, slightly ammoniated, concentrated product. When diluted, #1 cleans and turns glass and mirrors into sparkling, streak-free, objects of beauty. Effective as a hard surface cleaner on all surfaces unharmed by water. Rapid drying, #1 removes tough road film, fingerprints and all normal soils. No haze, no streaks, just clean glass! Concentrated: 1/2 gallon makes 15 gallons of RTU solution- enough for 60 trigger sprayer quarts of glass cleaner

Product #	Packaging	Per Pallet
6003	4 x 1/2 Gal. per Case	60

☐ #2 Purple Cleaner and Degreaser

This concentrate gets the tough jobs done quickly and effortlessly. Hundreds of uses! Cleans and degreases all water-safe surfaces. Spray on. Mop on. Sponge on. Regardless of how applied, #2 will provide the cleaning you can expect from a premium degreaser. Easily rinsed; use with hot or cold water. Cleans simple soils to tough oily and greasy soils. Concentrated: 1/2 gallon makes 32 gallons of RTU solution - enough for 128 trigger sprayer quarts of degreaser.

Product #	Packaging	Per Pallet
6004	4 x 1/2 Gal. per Case	60

☐ #3 No Rinse Floor Cleaner

Very highly concentrated for terrific economy, this product will amaze you. From cleaning floors to ceilings and everything in between, #3 gets the job done with little effort. Totally neutral; won't affect floor finish. No laborious rinsing; just mop on, let dry. #3 also contains a deodorant and optical brighteners for enhanced cleaning and light deodorizing. Concentrated: 1/2 gallon makes 128 gallons of RTU solution - enough for 43 mop buckets of neutral floor cleaner.

Product #	Packaging	Per Pallet
6017	4 x 1/2 Gal. per Case	60

☐ #4 Lemon Quat

A super concentrated, all purpose, neutral, hospital grade disinfectant/deodorant. #4 not only disinfects all water-safe surfaces but also deodorizes with a very pleasant tangy lemon scent. Cleans and disinfects floors, all bathroom surfaces, walls, table tops, patient rooms, etc. Perfect for nursing homes, hospitals, schools, restaurants, food processing plants. Concentrated: 1/2 gallon makes 128 gallons of RTU solution - enough for 43 mop buckets of disinfectant.

Product #	Packaging	Per Pallet
6006	4 x 1/2 Gal. per Case	60

☐ #5 New Age Odor Counteractant

Tough malodor problems? Trash compactor odor problems? #5 will not only mitigate those odors but will neutralize the area leaving a very pleasant nondescript scent. This is a true odor neutralizer. Unlike deodorants that mask odors, #5 attacks the odor source and neutralizes the offending odor molecules. Use wherever malodors exist. Concentrated: 1/2 gallon makes 16 gallons of odor neutralizer - enough for 64 trigger sprayer quarts of odor neutralizer.

Product #	Packaging	Per Pallet
6007	4 x 1/2 Gal. per Case	60

☐ #6 Non Acid Bathroom Disinfectant/Deodorizer/Cleaner

A wonderful all around bathroom cleaner. Concentrated for economy, #6 gets the ugly bathroom jobs done with no fuss. Use on all surfaces including urinals, toilet bowls, countertops, partitions, floors and metal fixtures. With a nice mild scent, and blue in color, #6 keeps on working long after applied. Concentrated: 1/2 gallon makes 128 gallons of RTU solution - enough for 43 mop buckets of floor disinfectant or 512 trigger sprayer quarts of spray surface cleaner/disinfectant.

Product #	Packaging	Per Pallet
6109	4 x 1/2 Gal. per Case	60

☐ #7 Mild Acid Bathroom Cleaner

Shower stalls, bath enclosures and fiberglass partitions are just a few surfaces that become clean with #7. Cleans and removes hard water scale, soap scum and body oils from all water-safe surfaces. Contains a safe, mild acid for rapid penetration and quick removal of soil. Easily rinsed; pleasantly scented. Concentrated: 1/2 gallon makes 16 gallons of RTU solution - enough for 64 trigger sprayer quarts of bathroom cleaner.

Product #	Packaging	Per Pallet
6009	4 x 1/2 Gal. per Case	60

☐ #8 Lavender Room Air Freshener

A powerful scent that is for your most severe malodor problems. Excellent for use in trash recycling operations, trash compactors, waster transfer stations and locker rooms. Reduces odors resulting from water and fire restoration. Can be added to carpet cleaning products to deodorize carpets. Excellent for use in gym locker rooms. Use anywhere malodors are a problem. Concentrated.
